Important Dental Insurance Information for Our Patients

Understanding dental insurance coverage can be quite challenging. Our goal is to assist in maximizing your benefits. We care for patients from many different companies. Each company pays an insurance premium for specific coverage that fits the company budget. Each plan is slightly different in it covered services. We encourage you to become familiar with your policy exclusions, deductibles and required co-payments.

Our Courtesy Service to You Includes:

1. Filing your insurance within 24 hours of your visit and requesting payment of your benefits to our office.
2. Electronically filling your insurance for short turnaround.
3. Researching the information on your dental insurance card to advise you of the benefits available to you.
4. Re-filling your insurance a second time within 60 days
5. Following the American Dental Association guidelines for coding procedures and filing insurance.

Our Expectations of You as Owner of the Policy

1. Payment of fees not covered by your insurance plan at the time the service is delivered.
2. Understanding that the insurance policy belongs to you and we have no leverage to obtain payment from your insurance carrier.
3. Realizing that dental insurance policies restrict payment for some services, use restricted fee schedules (called Usual and Customary Rates) and exclude some procedures based on the premium paid for insurance, not on our fees or recommended treatment.

   Dr. Cox likes to do minimal invasive dentistry. He prefers to save as much tooth structure as possible and place materials that have similar strengths and esthetics as your natural dentition.
   *Some insurance companies **do not** cover these restorations as advertised in their plans. Therefore, we have to appeal these claims.*
   We make it our policy to submit all the information needed to the insurance company to receive payment on crowns, onlays and composite restorations. Sometimes unfortunately the insurance company will not pay on these procedures.
   We would like you, as the patient, to be aware of this and in such a case that the restoration placed is not covered or denied that the final responsibility for payment is yours and not the insurance company.

4. Taking responsibility for payment if the insurance company does not pay our office within 75 days.
5. Keeping our office informed of any changes in your insurance coverage.

Thank you for your cooperation with your dental insurance coverage.

Please sign the space below and have your insurance card ready for us to copy for our files.

I hereby authorize Dr. Cox to release to my insurance company, information acquired in the course of my dental care. I hereby authorize benefits to be paid directly to Dr. Cox. I understand that I am responsible for any unpaid balance.
